dedication

To Dr. Paul van Katwijk, a civic leader, a master musician, and a loyal Mustang, the 1948 ROTUNDA is dedicated.

Through his work with the Dallas Symphony, The Sixteen, and other civic organizations, Dallas has gained national recognition as the center of musical activities in the Southwest. By his efforts with student musicians, S. M. U. has developed one of the outstanding schools of music in the nation. With his own pianistic talents he has won the admiration not only of his students but also of concert audiences in all parts of the country.

Dallas and the nation respect him because of his many accomplishments, but we admire "Dr. Van" because he possesses those qualities—tolerance, friendliness, cooperation, and loyalty—which we call the "Spirit of S. M. U."

With pride and gratitude we dedicate this book to a true Mustang, a great man, and a loyal friend—Dr. Paul van Katwijk.

Dr. Paul van Katwijk

foreword

Once upon a time . . . These words have been the beginning of many tales of wonder, and we have chosen them to begin our story—the story of a wonder which each of us has witnessed this year on the campus of S. M. U.

The year began with all the properties essential to the opening of any university. There were the usual lines to stand in, the information blanks to be filled in, and the search for a parking place around the observatory. But there was something new—eager faces, hundreds of anxious questions, the flash of red and blue caps. There was a post-war product on the campus, straight off the assembly line of high schools all over the Southwest—there was a class of college freshmen.

With the return of the freshman came spirit, more important to the school than any one group or any one class. Spirit, the Mustang Spirit, started over cokes in the new Student Union and in meetings of the Mustang Men; then suddenly it blazed forth with a roar that shook Ownby Stadium and with torch-light parades that lighted Hillcrest for blocks.

We of the 1948 ROTUNDA have tried to catch this spirit in an eager-eyed Mustang called "Mike." We have tried to picture him in every aspect of life on the Hilltop—in the studies we aspire to, in the good we try to do by our work in organizations, and in the fun we'll never forget.

We love "Mike" because he stands for all the things we, as Mustangs, have learned to love. If we have caught the spirit of S. M. U., and if we have given you a tangible picture of that spirit, we have achieved our purpose. Remember "Mike" and the spirit of the Mustangs.

He remembered . . . so will you.

Ever since American colleges and universities began the policy of having Student Unions on their campuses, the cry among students at S.M.U. has grown increasingly loud for a union of their own. The faculty and administration were quick to recognize this need, and several years ago a fund was begun for this purpose. That fund still exists for use when the day comes to build the permanent Student Union. In the meantime, the University has purchased the present union building. It served originally as an officers' club and was moved to the campus in sections to be assembled and re-modeled.

THE STUD

The big fireplace, as seen from the front entrance, forms the center of activity in the main lounge. Soft chairs and a roaring fire spell sheer comfort on those cold afternoons. Furniture in the union is built for relaxation, and it is arranged in conversational groups which make coffee-time chats semi-private. The grand piano is always in use, and Pat and Cecil are no exceptions to the rule.

From early in the morning until late in the evening the Student Union is social headquarters on the campus. The friendly atmosphere of Early Texas furnishings makes the Union the place to meet friends and to enjoy the many facilities and programs which are provided. Fountain service and a cafeteria have solved the urgent problem of eating facilities on the campus. Well-stocked game and browsing rooms add to the enjoyment of Union members.

NT UNION

At the top is an example of furniture grouping in the main lounge, with the entrance to the fountain in the background. The air of friendliness and cheer is enhanced by beamed ceilings, rustic lighting fixtures, bright prints, greenery, and skillet ash trays. One of the most convenient services of the Union is the candy and cigar stand, which puts an end to frequent trips to the drag.

STUDY HOURS

The browsing room of Fondren is dedicated to moments of relaxation . . . Studious Mustangs receive their books through the circulation desk on the main floor . . . In the reference room are row on row of study tables, accredited reference books, and leading periodicals in all fields . . . Studies are pursued in the two down-stairs reading rooms.

PRACTICE TIME

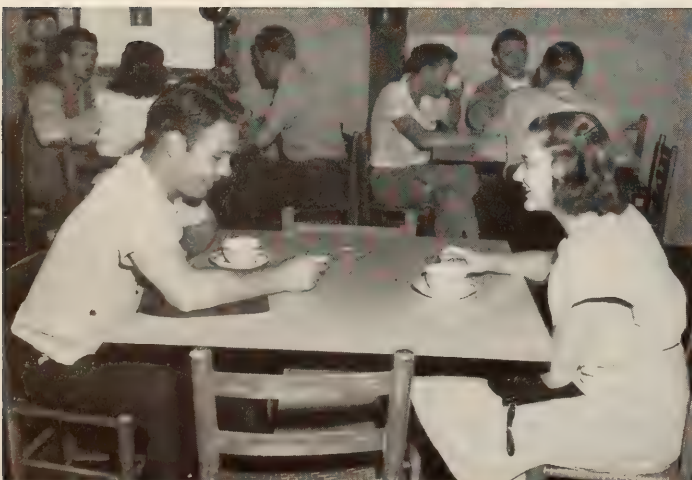

The main auditorium in McFarlin is the scene of many campus and civic programs . . . music students receive piano training in the studios . . . the organ in the auditorium provides chapel music and lessons from Miss Poteet . . . the famous Mustang Band holds forth in the basement practice rooms . . . and classes are held upstairs. Just for good measure there's the Mustang Coral, which is strictly for fun.

BETWEEN CLASSES

At the Student Union fountain, Jean hardly has a minute's rest as the coffee hour progresses . . . the Promenaders swing their partners in the Main Lounge . . . the popularity of the piano never fails . . . Nancy turns on the charm over a cup of coffee in the cafeteria . . . and coffee hour continues as classes change.

It was a hard fight . . .

but he won . . .

WE'RE SORRY

The staff of the 1948 ROTUNDA is breaking a precedent set by annual staffs many years ago. This year, instead of using our imaginations to dream up fictitious names, schools, classifications, and home towns to match the pictures we couldn't identify, we have gathered all these pictures together in one section of our book for the purpose of extending our deepest apologies to each and every person represented here. We hope that you won't think too harshly of us, and we join Mike (who was most upset about the whole situation) in saying, "We're sorry."

Miss Bette Pierce, Editor
1948 ROTUNDA
Southern Methodist University
Dallas, Texas

Dear Miss Pierce:

After many hours of trying to imagine what the girls must really look like in person, I have managed to rate them in some sort of order. The selection was based on my preferences if I were choosing girls to pose for a story illustration.

All 24, I should say, could easily be mistaken for Miss America of 1948.

Yours sincerely,

Jan Whitcomb

Women's Panhellenic is composed of two active members and one alumna of each sorority. The members are elected by their respective groups. The organization plans the sorority rush program and discusses sorority problems on the campus. The purpose of Women's Panhellenic is to promote friendship and cooperation among the groups represented.

The Students' Publishing Company, incorporated under the laws of the State of Texas in 1930, publishes the ROTUNDA, the SMU CAMPUS and the STUDENT DIRECTORY. The organization derives its income from the student activity fee and advertisements, and its management is vested in a Board of seven Directors who are as follows: E. L. Callihan, Head of the Department of Journalism, Dr. E. E. Leisy, and Lester Jordan, all members of the faculty appointed by the President of the University; Bette Pierce, editor of the ROTUNDA; Paul Tannehill, editor of the SMU CAMPUS; and Bill Maclay and Stuart Moore, students appointed by the Student Council.

THE JUDICIARY COURT

JUSTICES

BILL BARNES	Chief Justice
JOSEPH K. ELLIS	Associate
BOB HALL	Associate
BILL MACLAY	Associate
ANN WOOLLARD	Associate

The Judiciary Court was created in 1933 by an amendment to the Constitution. Its chief purpose is to restrain the executive and legislative organs of student government. The Court is empowered not only to sit as a final authority on the constitutionality of legislation but also to convict officers of the Students Association upon impeachment charges. Recent amendments to the Constitution have authorized the Court to render advisory opinions upon the request of the Student Council and to issue restraining orders that the constitutional powers of officers of the Students Association may be preserved.

REGISTRATION

The question is, which will he burn—cigarette or registration cards . . . But I don't want an eight o'clock class . . . I'm not a veteran, but . . . Snow storm a la Brewer.

ORIENTATION

Chamberlain's stretching things about the brow . . . Becky hides Carl behind her skirts while Aaron makes a pass . . . Future BMOC's get their road maps . . . Peruna looks longingly at a bale of hay in the wings while Redwine calls for cheers.

GIRLS'

Monty takes to the floor at the Delta Gamma open house . . . Sigma Kappa sisters obligingly pose for the photographer . . . Leta Jo and Mary Beth make friends for the Tri Delts . . . Gamma Phi members greet the long waiting line.

RUSH

The AD Pi's are all smiles for this year's crop of rushees . . . Betty and B.J. share a chair at the Delta Gamma open house . . . Staff member Patsie Northcutt receives her name tag from the Chi Omegas . . . Suzanne explains her peculiar schedule to the Delta Zetas.

GIRLS' RUSH

Thetas' own Ann Hollandsworth tells the latest registration faux pas, but Jean and Fanny seem quite solemn . . . "Have you met everyone?" questions Virginia, while Strip smiles for the camera . . . Sally oversees the pinning of the arrow at the Pi Phi open house . . . Sylvia and Toogie greet the rushees for the Kappas, while Dionne looks for a place to put her coat.

BOYS' RUSH

The Phi's perfect pool, with Carl picking up pointers . . . Bill turns his back to the camera, while Penfold tells Stewart the merits of Kappa Sigma . . . Lambda Chi Fred Wagner tells another funny while the great high "potentate" Chamberlain awaits his turn . . . The Delta Chi's recall with pride their winning of the trophies.

BOYS'

Tommy helps himself to another glass of punch at the Delta Sig open house . . . The KA's point with pride . . . Pratt leans on the ATO mantel in preparation for his latest joke . . . Mrs. Fountain quenches the thirst of Lambda Chi's and rushees, while Stan makes faces in the background.

RUSH

"The Whip" and Bill entertain rush-ees at the Phi Delt open house . . . Ollie holds the center of the stage at this Pi KA party . . . "Glad you came" says ATO Harvey Hazeltine, while Wheel Crisp just smiles . . . Harold Hobbs adds his two cents at the SAE party.

BIG SHOTS' PARTY

Matty isn't moaning about this crowd of grid stalwarts . . . A Crisp prexie tells his fellow voters, Lib, Ed, and Claire, to watch the birdie . . . Leslie's all wrapped up in this big shot, while "Motor Mouth" peers over their shoulders for another vote . . . Madison Bell in a serious mood . . . Woody gives the brush-off to Daisy Mae Pickens.

SANTA CLARA RALLY

Buddy bends a baton before the Mustang Music Makers . . . Patsy tells Jack they can always be friends . . . Hey, Redcap! . . . No, they're not proud—much! . . . Peruna says "I'm bored with it all."

PLEDGE NIGHT

Doug, Joan, Bev, and Bob run short on vitamin pills . . . but not this healthy young couple . . . Leahy, Wells, and company croon, while M. C. Claxton gives instructions in the background . . . Craig looks dolefully up at the camera.

President Crisp expresses his appreciation of the new Student Union . . . a Mexican band played for this formal opening of the building . . . Troy leads his partner in a Mexican dance . . . and crowds of students thronged for the first dance.

THE DEPARTMENT OF ATHLETICS

Seeking to play an integral and significant part in the life of the SMU students, the Department of Intercollegiate Athletics attempts to provide a well-rounded program with teams competing against those from other Southwest Conference institutions and from universities in other parts of the country.

The Ponies have won more football championships in the last 25 years than has any other conference school. Title awards were received by the Mustangs in 1923, 1926, 1931, 1935, and 1947 with a co-championship award being received in 1940. The Mustangs also have an enviable intersectional record in games against such teams as Army, Navy, Notre Dame, Fordham, UCLA, Pittsburgh, and other national leaders.

In basketball SMU tied for the championship in 1935 and then won an undisputed title in 1937. The 1947 team won the Kansas City Pre-Conference tournament and finished in a tie for second place in the conference race. The 1948 Cagers won the Fort Worth invitation tournament. Tennis Representatives of SMU won the singles championship in 1926 and 1945 and the doubles in 1927. The 1931 golf team won the conference championship and individual golf honors went to SMU in 1931, 1932, and 1938. SMU's fencing team won first place in 1938. The Ponies have boasted some strong teams in other sports but have not succeeded in winning conference titles.

Supervision and control of intercollegiate athletics are under the direction of the Faculty Committee on Athletics which is responsible to the General Faculty and the President of the University. Members of this committee are Dr. Edwin D. Mouzon, Jr., chairman; Dean Larry Fleck, secretary; Dean E. H. Flath, Dr. W. M. Longnecker, and Dr. John Lee Brooks.

THE COTTON BOWL

Doc Morgan, Coaches Russell, Bell and Keaton watch the game as Coach McClain keeps check with the observers' stand.

Captains Ramsey, Halliday, and Cook meet with Referee Abe Curtis and the Penn State captains, Potskian and Nolan, for a pre-game discussion.

In their first appearance in a Cotton Bowl Classic the Mustangs battled Penn State's Nittany Lions to a 13-to-13 stalemate on New Year's Day. Thus the 1947 Mustangs finished a long to be remembered season undefeated.

All-American Doak Walker, celebrating his twenty-first birthday, tossed a 40-yard pass to Paul Page and the latter's 13-yard run paid off as the culmination of an 82-yard drive, for an early Pony score. Late in the second quarter, Walker went through left tackle from the 2-yard stripe for another touchdown.

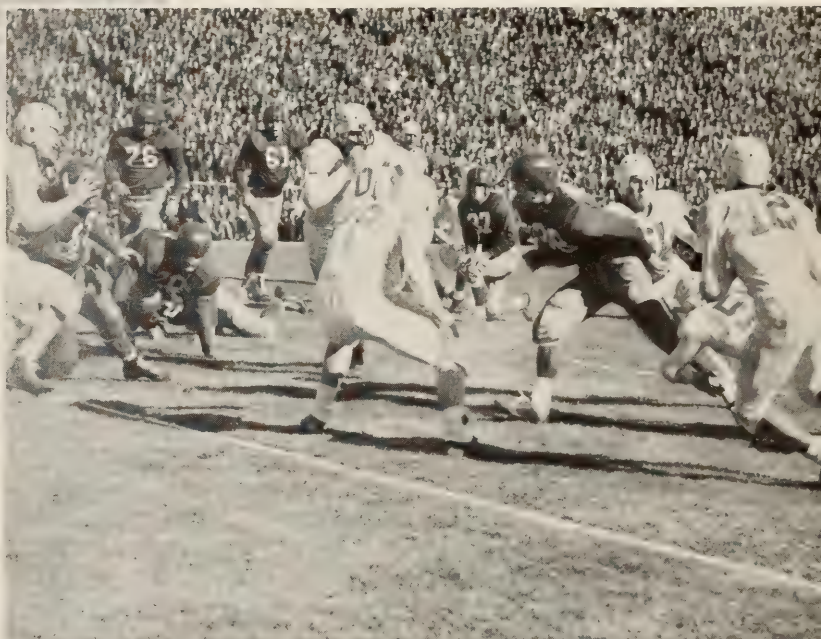

Page (18) catches a 40-yard pass from Walker in the first period to complete the first Mustang score. He is being followed by Durkotee who wasn't quite fast enough.

S M U 13 — PENN STATE 13

Walker (37) is tackled while Cook (61) completes a block.

Although Walker converted the point from placement after the first score, he was denied the second one. The 1947 Mustang line played one of its greatest defensive games with Earl Cook especially proving too great a barrier to the championship line of the East. The touchdowns of the Eastern team were made on pass plays late in the first half and during the third quarter.

Upper right: McKissack (38) carries through center as Walker (37), Cook (61), Ethridge (76), and Lewis (63) move in for action.

Lower right: The Mustangs are led in pre-game exercises by Captain Sid Halliday and Mascot Timmy Trimble.

Chow! Chow for the Cotton Bowl teams at the Student Union on New Year's night.

Dick Davis and John Gray of SMU start through the line with two unidentified Penn Staters and Dennie Haggard of Penn State.

Captain Sid Halliday receives his Cotton Bowl watch from Jordan C. Ownby, President of the Cotton Bowl Association, at the New Year's night party.

McKissack, Reinking and Walker stand by the fireplace in the Lettermen's Dorm before Christmas hoping that Santa will fill their red stockings in accord with the note: "Dear Santa: We don't want much this year, just a victory in the Cotton Bowl.—The Mustangs."

GREAT DAY!

The White Oak High School Band, representing Penn State, performs at half-time.

Center Cecil Sutphin, whose ankle was broken in the last few minutes of the game, is helped into the Student Union by Dr. Mouzon, Chairman of the Faculty Committee on Athletics.

Doc Morgan and Junior Eldredge do a fast job of fixing the Doaker's equipment.

Doak seems to be amused at the frown of Penn State's Head Coach Bob Higgins.

VACATION TIME FOR THE TEAM

To celebrate the winning of the Southwest Conference, the Culwells entertained the Mustangs and their dates at a ranch party, and these pictures certainly prove all the reports we heard that it was a *fine* occasion!

doak walker

all american

Doak Walker, S. M. U.'s first All-American in more than a decade, was the outstanding player in the southwest during the '47 season. He was the top punt returner in the nation as well as leader in the conference of yardage gained and points made.

Doak is a player who performs in a superior manner every task assigned to a back—signal calling, running, punting, passing, blocking, tackling. In addition—and probably his greatest value on the gridiron—he is an ideal team leader. As a climax to his brilliant performances during the season, he was named All-American on all major selections and received the Maxwell Memorial Football Award as the nation's outstanding player.

Doak returned to the campus at the last of the '45 season after serving in the Merchant Marine. He showed enough of his great ability to be placed on the All-Conference team, receive All-American mention, and receive an invitation to play in the East-West game, in which he starred. He then served a year in the army before returning to the Hilltop.

His outstanding play this year brought him many honors, but probably the most coveted came from an opposing team—the Oklahoma A. and M. squad who voted him the most gentlemanly sportsman they had faced.

EARL COOK

Earl Cook, one of the Mustangs' Co-Captains, played his fourth year as a regular for the Ponies and was recognized as one of the superb guards of the country. He was practically a unanimous choice for All-Conference and received honorable mention for All-American.

A star in high school, Earl was named All-City, All-State, and All-Southern in 1942. He saw service with the Marine Corps during the war.

Earl has majored in physical education while at Southern Methodist, but he will probably play professional football for a few years before starting on another career. He is a member of Cycen Fjodr, senior men's honorary, and was elected to membership in Who's Who in American Colleges and Universities.

"... one of the superb guards of the country."

ERENCE

Sid Halliday, captain of the '47 Mustangs, placed on many All-Conference teams and received All-American mention during his last year of play at Southern Methodist.

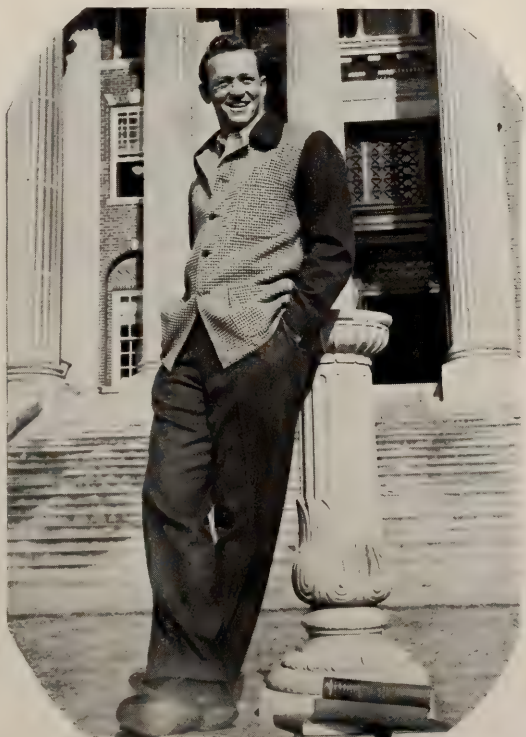

He is an excellent blocker and a rugged defensive player. Sid's top play of the year came in the last minute of the season—he caught the touchdown pass in the last twenty seconds of the T. C. U. encounter that enabled the Mustangs to tie the Frogs and remain undefeated.

During the war he served with the Marine Corps and was discharged with the rank of a lieutenant. While in service he played with the Marine All-Stars in Hawaii, and while in V-12 he played with Arkansas A. and M.

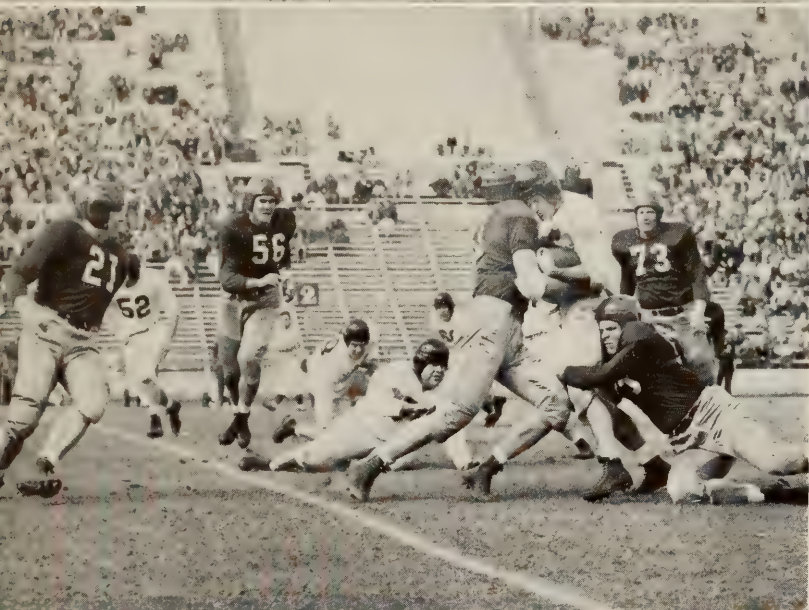

The 195-pound Mustang has been drafted by the Washington Redskins' professional football club, but Sid is undecided as to the vocation he will follow after graduation.

SID HALLIDAY

"... an excellent blocker and a rugged defensive player."

A crowd of the faithful cheer the Ponies as they leave for San Francisco.

Upper left: Walker leaves four Broncos and the referee behind in the San Francisco game.

Lower left: A Santa Clara nose is gently bruised by a Mustang as King hangs on. Pulattie (21), Goodwin (56), and J. Halliday (73) watch the proceedings.

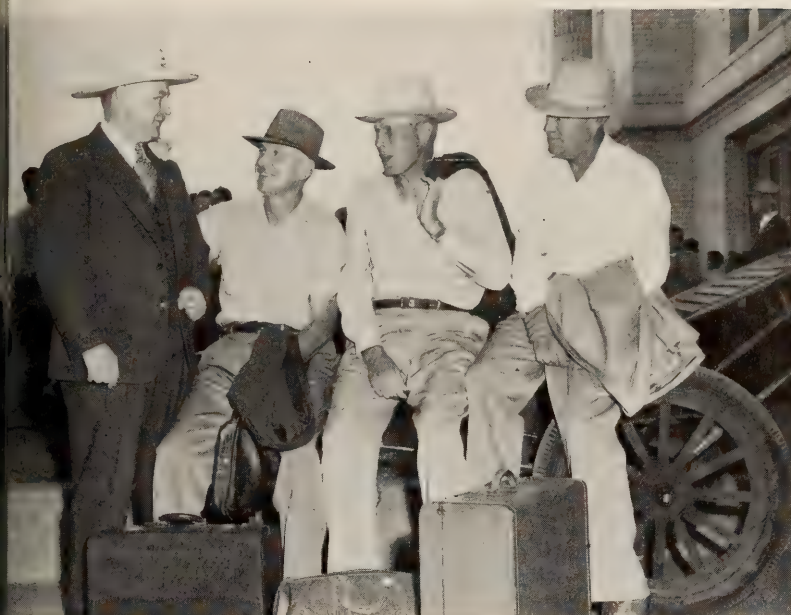

The Mustangs opened their best season since 1935 by blasting a relatively weak eleven from Santa Clara in a game played at Kegar Stadium in San Francisco. Although trailing in first downs, the Ponies out-classed their opponents in play.

Features of the game were Doak Walker's three touchdowns. In the second quarter he pushed over from the one-foot line. In the third quarter he dashed 44 yards to score.

SANTA CLARA 6

Matty Bell, Rusty Russell, and McAdoo Keaton discuss the Mustangs' prospects while waiting for train time.

Upper right: McKissack is caught flat-footed by a Bronco tackler.

Lower right: Moxley grabs a pass despite competition.

The third touchdown was made on the run of the day which came after Santa Clara had made their only score. On the kick-off, Walker took the ball on his three-yard line and started upfield. Good blocking by his teammates cleared the way to the 50. From there on he was running by himself, going over the goal line standing up.

The Mustang line showed the ability that was to be largely responsible for the rest of the S. M. U. victories.

SID HALLIDAY, End, Captain

S. M. U. 35

Upper left: Green carries the ball with plenty of interference.

Lower left: Mustangs gang up on a Tiger runner.

The S. M. U. Mustangs opened their home season in a night game at the Cotton Bowl against the Tigers from the University of Missouri. After a hard game the Ponies came out on the big end of a 35-19 score. The 35 points scored by the S. M. U. eleven was their largest total in any one game of the season.

Both teams opened big holes for their fast-charging

backs. However, Walker, McKissack, Page, and Green had more driving power than their opponents and cracked the Tiger line for good gains which helped to roll up the score.

Walker made the most sensational runs of the game behind almost perfect blocking by the Pony line. The seven front men showed that they could come up against a big line and hold their own.

CECIL SUTPHIN, Center

Ramsey barely misses a tackle as three other Mustangs run in to get the Aggie player.

Upper left: Green carries as Ethridge (76) leads interference.

Lower left: Halliday (83) dashes in to tackle a Cowpoke runner with Baxter right behind him.

The Ponies made it three straight by downing an out-classed Oklahoma A. and M. eleven in Stillwater. With the reserves playing a good part of the game, the Mustangs coasted to an easy 21-14 victory to spoil the Cowpokes' stadium dedication celebration.

Walker again showed the ability that was to make him All-American, and the entire backfield showed the ability

that was to make S. M. U. tops in the Southwest. The line played another outstanding game with the reserves getting in some good experience that was to prepare them for a more prominent part in the Pony defense.

The Mustangs struck early and easily and apparently were going to roll up the score when the reserves were sent in. The Cowpokes' second score came in the last two minutes of play.

PAUL PAGE, Wingback

Walker takes a pass and is immediately tackled. Sutphin (52) comes in from the left. Page (18) is in the background.

Upper left: Page is about to be tackled from behind as Sutphin (52) watches on hands and knees in the background. McKissack throws a shoulder block into a Rice player at the left.

Lower left: A Rice player gets a pass away as Blakely (87) and Roberts (69) rush toward him.

The Mustangs continued their winning streak with a win over the highly-rated Owls from Rice Institute, 14-0. Going into the game the underdog, the Ponies out-played the team that was rated to win the conference before the season started.

The Mustang line out-played that of the Owls, which was rated as one of the best in the conference. It held the Owls' fast-breaking backfield in check and opened good holes for the Pony backs.

Upper right: Payne is tackled hard as four Mustangs follow up the play.

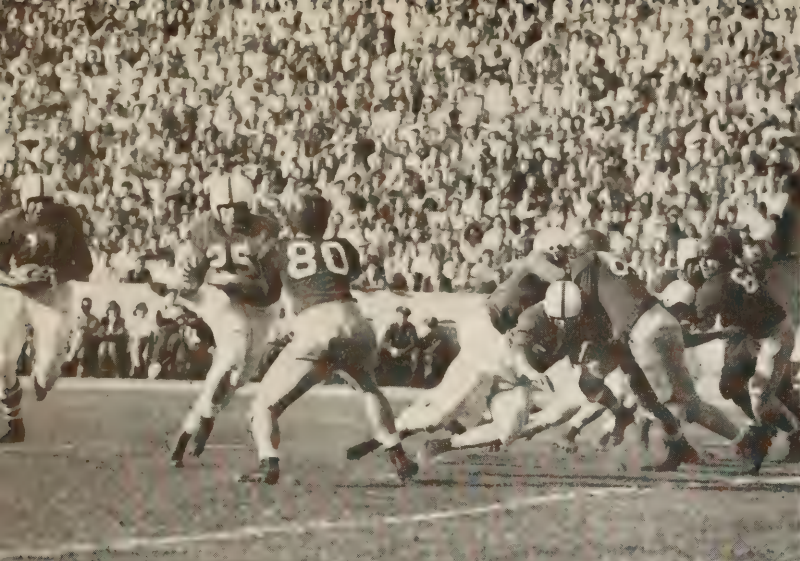

Lower right: A Mustang slips up behind and grabs the Owl ball carrier as Parker (36) moves in.

The Rice game marked the first time that the Mustang eleven came up against an outstanding team. The big question in the minds of everyone was whether or not the S. M. U. reserves were of sufficient quality to substitute for the regulars without harming the Mustang offense and defense. Although the regulars played most of the game, the reserves proved that they could play a good brand of football.

DOAK WALKER, Tailback

Upper left: A Uclan back breaks around end as a Pony player tries to stop the play.

Lower left: Reinking tackles a UCLA player and jars the ball out of his arms. Parker (36) is the Mustang being blocked.

The Ponies made their second trip to the west coast to meet the highly-rated UCLA eleven. The S. M. U. squad was again the underdog, and again they showed the power that was to put them into the No. 3 spot in the nation.

The game appeared to be set for a tie as each team pounded at the other's goal line only to be turned back by determined lines. Twice the Uclans almost scored. The Ponies drove down to the one-yard line but lost the ball.

Late in the fourth quarter the Ponies got the ball on their

own 12-yard line. Gilbert Johnson came into the game for the first time, took the snapback from center, and shot a pass to Paul Page at midfield. Page broke down the side-line and ran to the two-yard line before he was tackled from behind.

Bill Moxley hit the line twice, gaining only a yard. On the next play Walker blasted over for the only touchdown of the game and then added the extra point to lead the Mustangs to a 7-0 victory.

Upper left: Walker leaps into the air for a spectacular catch as three Steers converge on him. Page (18) runs toward the play.

Lower left: McKissack blasts through a hole in the line as Texas players converge on him. Ramsey (24) is on the ground while Ethridge (76) stands in the background. Reinking (88) comes in from his left-end post.

In the game that ultimately decided the conference championship, the S. M. U. Mustangs downed a hard-fighting University of Texas eleven.

From the opening seconds the game proved to be one of the most exciting ever held in Texas. Frank Payne took the opening kick-off in his own end zone, came out to the 10-yard line, and there handed off to Paul Page, who was cutting across the field. Page took the ball down the sideline 71 yards before he was knocked out of bounds. After three unsuccessful attempts to gain yardage, Walker passed to

McKissack on the four-yard line. After two more downs, Page carried around end for the score.

The Steers came fighting back, but before they were able to have their offense functioning the Mustangs scored on a line drive after a long pass completion from Johnson to Walker. The Longhorns, piloted by Layne, threw up a desperation air barrage and came back to score twice, but the trained toe of Walker proved to be too much for the T. U. eleven. The two extra points converted by Doak were the game's deciding factor as S. M. U. won 14-13 and came into the undisputed possession of the league lead.

GILBERT JOHNSON, Tailback

McKissack carries the ball into a mass of trouble. Lewis (63) comes into the play from the right.

Upper left: Green is hemmed in by four Aggies as he tries to gain yardage.

Lower left: Halliday (83) clamps a tackle around the ankles of an Aggie back.

Gilbert Johnson stepped into prominence at College Station as he put on a passing exhibition seldom equaled in the Southwest Conference. He completed 14 out of 16 passes, two for touchdowns, to lead the Ponies to a 13-0 win over the Texas Aggies. The game gave S. M. U. its first victory on Kyle Field since 1935.

Early in the second quarter Johnson passed to Page in the end zone.

Walker converted, and the Ponies led, 7-0. The second touchdown came as Johnson shot a pass to Raleigh Blakely on the four-yard line, who stepped over into the pay dirt. This ended the day's scoring.

The SMU line played one of its greatest defensive games as it held the Aggie ground offense in check. Paul Page and Dick Reinking hawked the ball all afternoon, intercepting five Aggie passes at crucial times.

Gathering steam after victories over the Texas Aggies and the Rice Owls, the Mustangs met the Arkansas Razorbacks in the 1947 Homecoming game. After one of the season's roughest games, the Ponies took the game, 14-6.

Favored to win over the 1946 co-champions, the Mustangs found themselves behind for the first time in the season as Arkansas scored a touchdown in the first half. The Ponies came fighting back, however, to score two touchdowns and win the game, the last touchdown coming late in the second half.

Walker plunges through a small hole in the line with help of a block by McKissack. A Porker back races in to plug the gap.

Upper right: McKissack starts into the secondary with two Ponies leading interference. Reinking comes in for a block.

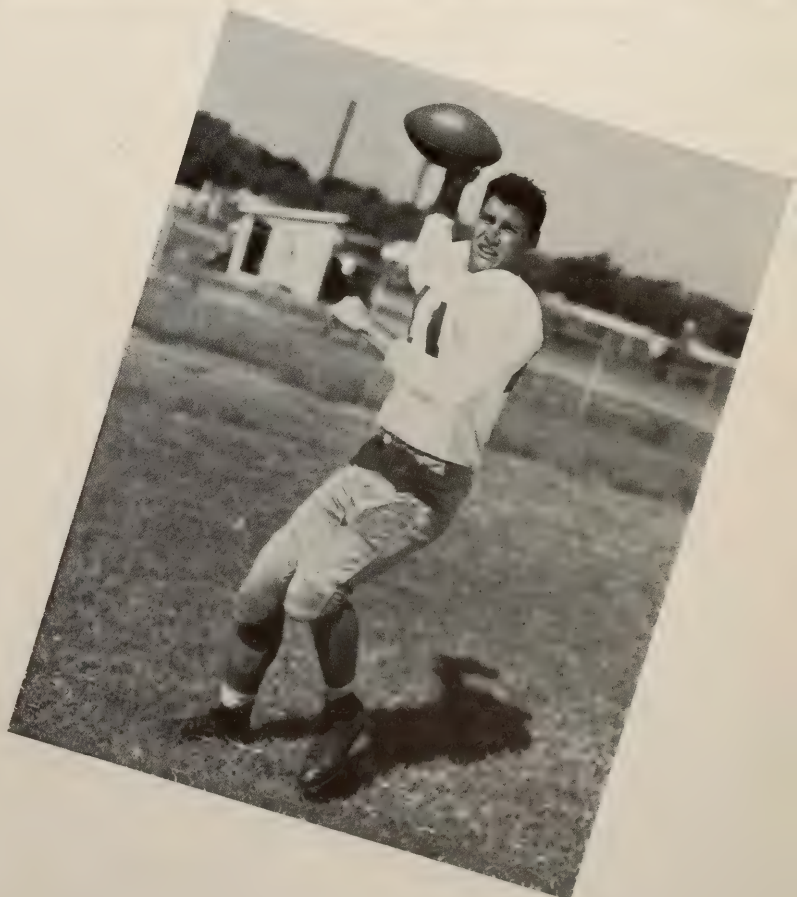

Lower right: Walker on a long run around left end as Baxter moves in.

The Porkers proved early that they were playing to win at any cost and put the pressure on the Ponies by scoring the first touchdown. They moved upfield, tearing large holes in the Pony line and ended the drive with a dash through center by the fullback for the score.

However, the Ponies were not to be stopped in their drive to the conference championship and pushed across their two scores, missing another on a fumble deep in Arkansas territory.

FRANK PAYNE, Tailback

The best that can be said—a great backfield! Walker, Johnson, Page, and McKissack.

Upper left: Walker is blocked by a Bruin while trying to gain yardage on the rain-soaked field. Ethridge (76) runs toward the play from the left while Reinking (88) comes in from the right.

Lower left: Cook (61) hits a Baylor runner hard. The Bruin flies through the air while Halliday and McKissack converge on him.

The Mustangs downed one of their hardest-fighting opponents, the Baylor Bears, 10-0, in Waco to keep their season record clean. Playing on a sloppy field, the Ponies were held scoreless during the first half as the Bruins stopped every push by SMU.

As the minutes ticked away in the second half, it seemed that the Ponies had at last met their match. In the third quarter SMU pushed down to the 18-yard line but lost the ball on a fumble. The fourth quarter saw the Baylor team fighting to hold off the Ponies and earn a tie against the Southwest Conference leaders. With about five minutes left in the game, the Ponies pushed down to the Bear

The Ponies kicked off to the Bears and almost immediately regained the ball on an intercepted pass. With the game almost completed, SMU pushed over for their first touchdown to up the score to 10-0.

With the win over the Bears, the SMU team moved to the final game of the conference schedule and cinched their first Cotton Bowl game in history.

CLAUD HILL, Tackle

With only one win needed to finish out a perfect season, the Ponies went to Fort Worth to polish off the Horned Frogs of T. C. U. Instead they needed a touchdown in the final minute of the game to gain a tie, 19-19.

From the kickoff, it was apparent that the Frogs intended to upset the No. 3 team in the nation. Early in the game they pushed over two touchdowns and led the Mustangs 12-0. Late in the second quarter one of the famous Walker long runs and extra point conversions gave SMU 7 points.

T. C. U. 19

Halliday (83) is stopped by a Horned Frog after completing a pass play.

Upper right: An excellent block by McKissack (38) permits Walker (37) to make a gain around left end.

Lower right: Halliday blocks for Page as the Pony halfback tries to skirt end.

In the third quarter, Walker scored on a right end sweep and the Mustangs led 13-12.

With three minutes remaining, the Horned Frogs scored after two long pass completions and led the Mustangs 19-13. With 90 seconds remaining, Walker received the kick and carried it to the TCU 30. Gilbert Johnson started throwing desperation passes and finally connected with Walker on the 10-yard line, where he was downed. On the next play, Johnson shot a bullet pass to Sid Halliday, who fell over the goal line for the tying score.

THE "B" TEAM IN ACTION

Rote is tackled by a Rice player. The Colts downed the Owlets to remain undefeated in the conference.

Rote carries in the Rice game and is almost caught from behind. Grantham (43) watches from the background. Cook is on hands and knees at the right of Rote.

Mizell carries into a pack of Texas Short Horns. Owens (12) runs forward at the extreme right. Gray puts a high block on a Texas player in the background.

Rote is lifted into the air by a Rice tackler while Fikes (81) watches on one knee.

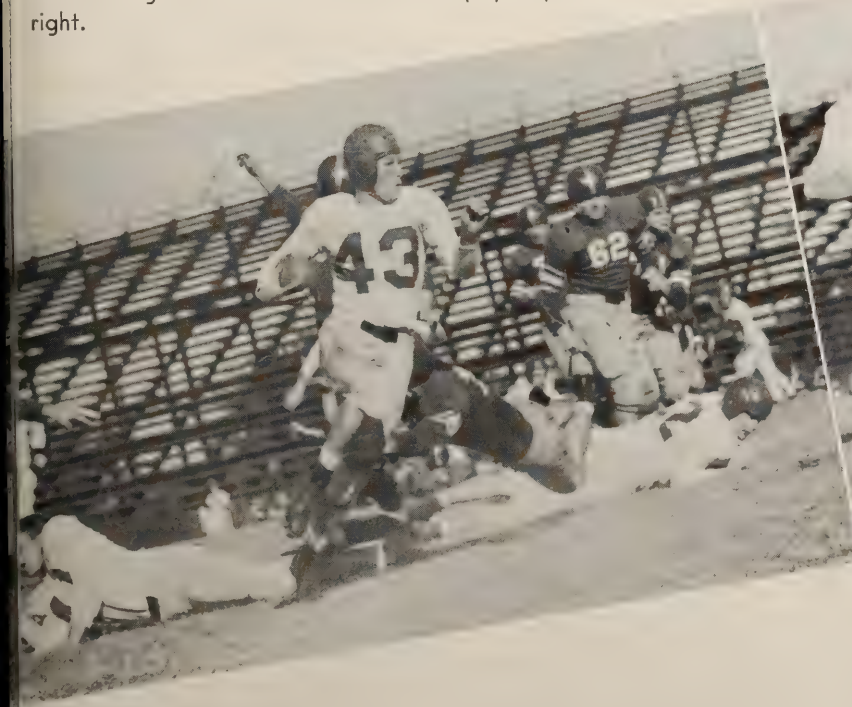

Gillespie hits a Texas ball carrier. Fikes (81) and Bob Finley, former Mustang acting as referee, come toward the play. Moseley plunges toward the play from the right while Johnson (72) watches the play. Duke is on the ground under the play.

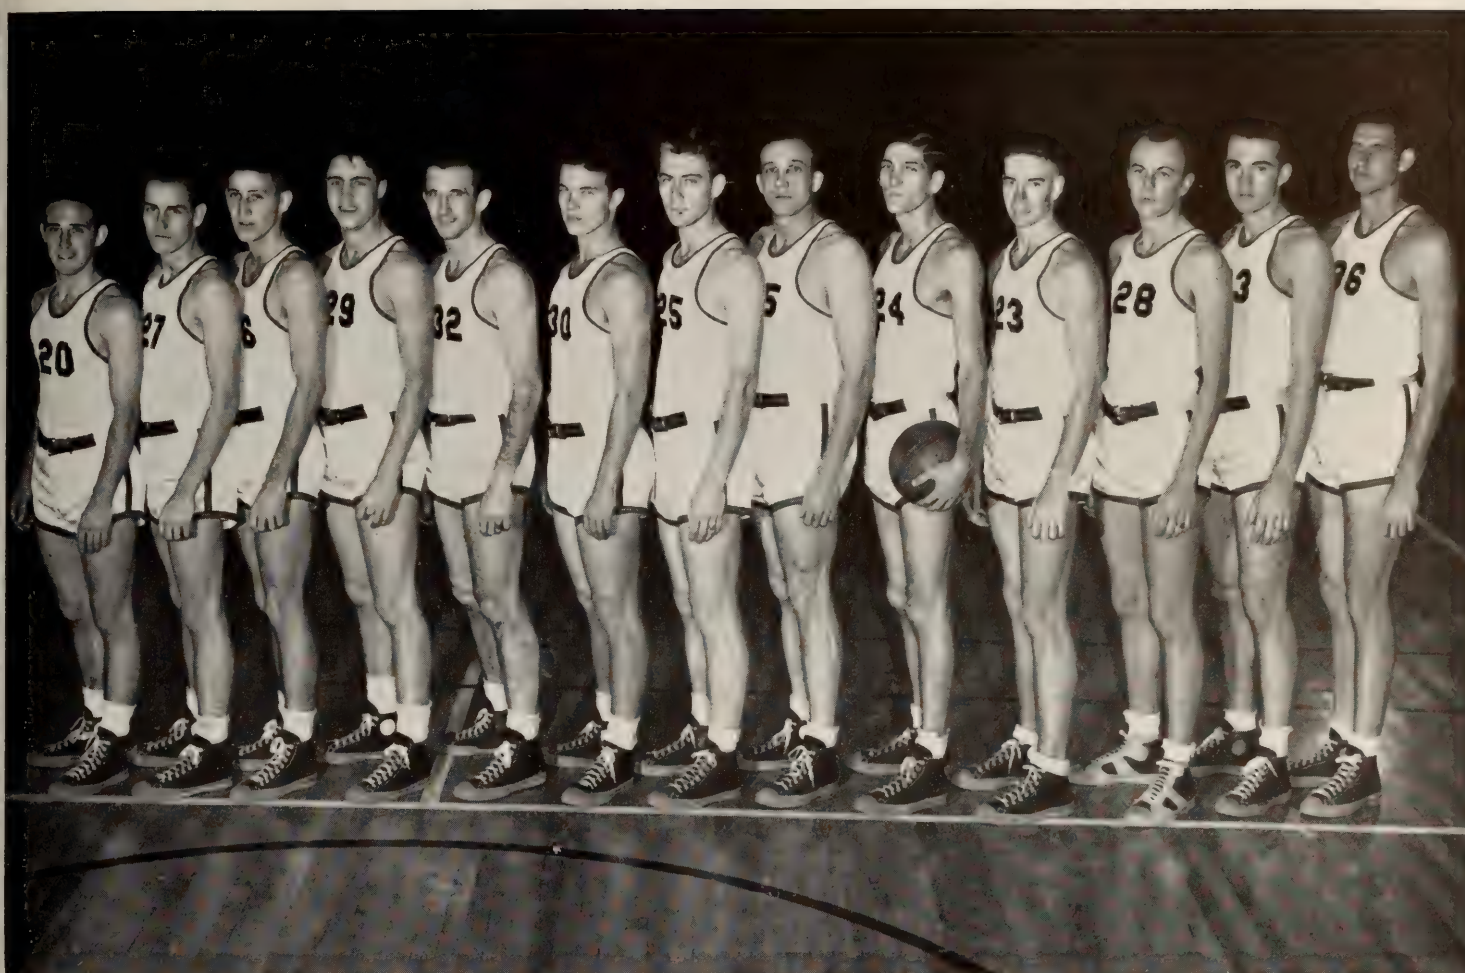

Grantham is stopped by three Rice Owlets. Davis is behind the tacklers while Payne lies on the ground in the background.

Rote carries again against the Owlets. Cook (77) is in the background. Payne is on the ground in the foreground.

Grantham breaks in the clear against the Owlets. Mizell is on the ground at left while Tanner (82) is prone at right.

t: E. O. "DOC" HAYES, Coach

Trailing throughout the first seven minutes, the Ponies came back fighting and downed the Gentlemen from Centenary College, 54-43. The Ponies were never seriously pushed after they took the lead.

Pugh, above left, jumps center to start the game. Rollings, Gillespie, and Salmon wait for the ball to come down the court. Prewitt (24), Pugh (36), Gillespie and Salmon wait for the ball to come down.

Prewitt and Gillespie fight for possession of the ball with a Centenary player. Pugh watches from the background.

Three Mustangs follow the tall Gentleman as he starts down the court, Prewitt (24), Pugh (36), and Gillespie (23).

Pugh shoots as the defending player falls to the floor.

CENTENARY 43

Tall Roy Pugh led the scoring for SMU, pouring 18 points through the hoops, and kept the Gentlemen from widening their lead in the early minutes of the game.

With only a four-point lead and five minutes left in the game, the Ponies started hitting and pulled away, never to be in danger again.

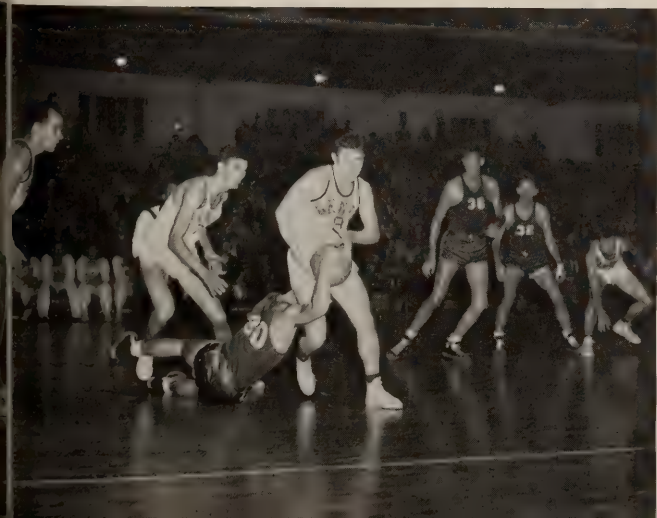

Folsom jumps high into the air to try for a rebound. Gillespie (23) and Pugh (36) watch the battle.

Bill Gillespie, left, dribbles the ball. One of the tallest members of the squad, he played a great deal of time during the season.

Lower Right: Roy Pugh, Pony center, slings an over-hand shot at the basket. Pugh was consistently one of the highest scorers in the conference.

Folsom (30) fights for possession of the ball with a Centenary player. Pugh (36) and Rollings (32) watch from the background.

With Bill Gillespie leading the floor play, the SMU Mustangs downed the Rams from Texas Wesleyan College 55-44. Gillespie led the scoring and played an outstanding game on the floor with able help from Burt Rollings and Bobby Folsom, who scored ten points each.

With six minutes of the game gone, the Wesleyans led 4-1, but two quick field goals by Rollings put the Ponies ahead and they were never behind through the rest of the game.

Folsom shoots a basket after coming in from the side. Prewitt, behind opponent at left, waits for a possible rebound.

Pugh shoots from outside the free-throw circle as three opponents watch the ball descend toward the basket.

Pugh shoots as he slips into the clear under the basket. Rollings watches the ball from the right.

Rollings attempts a shot as an opposing player falls to the floor. Prewitt is watching for a possible rebound.

Twice the score was tied, but both times the SMU quint pulled ahead again. The score was 9-9 after twelve minutes of playing time and 14-14 with four minutes left at the half.

After breaking the last tie, the Mustangs forged ahead, leading 22-15 at half-time. Through most of the second half the Ponies remained ahead of the Rams with little trouble. However, toward the end of the half the Rams pushed to within a few points of the Ponies. The Mustangs came back quickly and pulled well ahead and stayed there until the final gun.

Percy Penn tries a lay-up but is stopped by a Wesleyan player. Penn was one of the outstanding players in the game.

Burt Rollings, left, starts at guard for SMU and is one of the leading scorers in the conference.

Bobby Folsom, below right, played a lot of ball at forward. He played with West Point before coming to SMU.

Pugh jumps into the air and pushes a one-handed shot toward the basket. Bobby Folsom (30) breaks in to the basket.

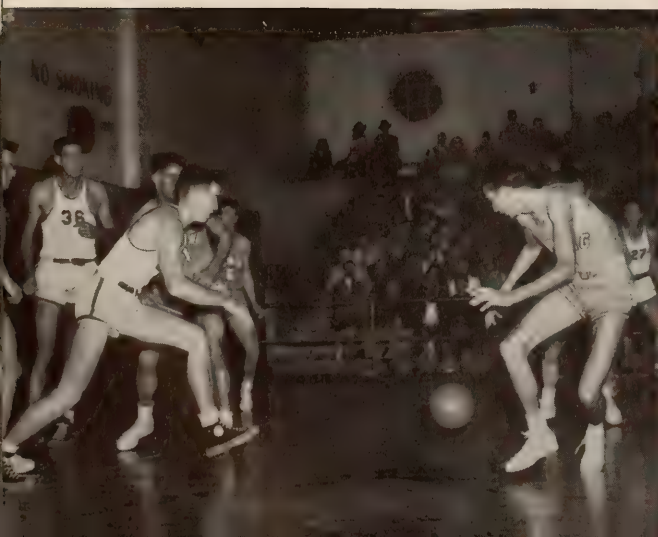

With most of the students away for the Christmas holidays, the Mustangs met the highly-touted Cowpokes from Wyoming and won, 41-39. The game was close most of the way.

A few days after the Wyoming game, the Ponies went to Fort Worth to participate in the Invitational Tournament.

Pugh and Prewitt watch as a Wyoming player jumps into the air and grabs a rebound.

Pugh grabs the ball out of the grasp of a Cowboy. Prewitt watches from the background.

Gillespie gets set to spring into the air for a free ball as a Wyoming player misses.

Gillespie moves in on another free ball, this one on the floor. Pugh watches. Salmon (27) is in the background.

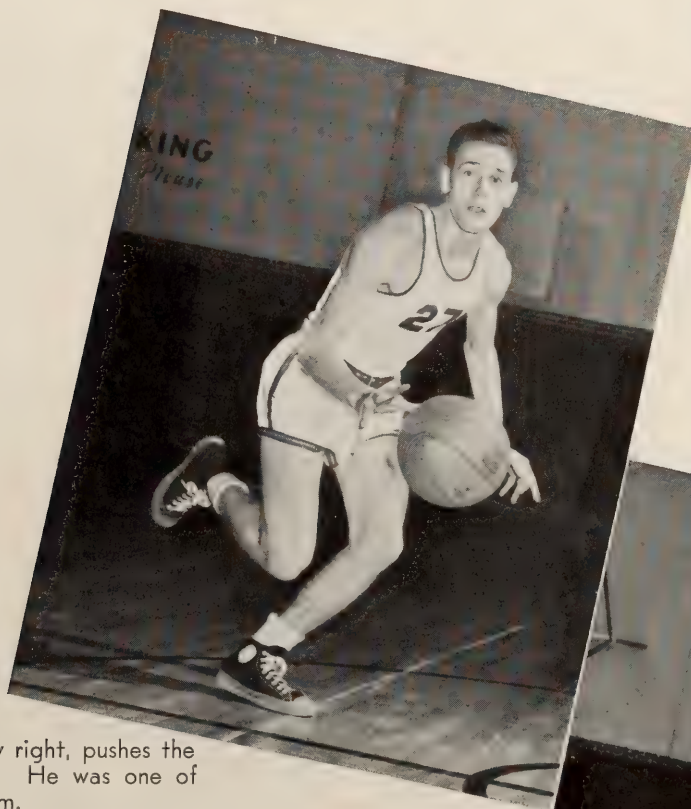

WYOMING 39

To the surprise of most people, the Mustangs went through three games to the championship.

They defeated Hardin-Simmons, 65-57, in the opening game and came back the next night to drop Texas A&M, 47-30. Rollings led the Ponies by pushing 20 points through the hoops. In the finals the SMU quint downed TWC for the second time, 53-42, to take the tournament title.

Rollings jumps with a Wyoming player after a tie ball. Gillespie (23) waits for it to come down.

J. C. Canaday, below right, pushes the ball toward the basket. He was one of the mainstays of the team.

Coach Hayes explains a point to the mainstays of his team.

Harrold Salmon, left, starts at guard for the Ponies. He made All-State while at Crozier Tech High School in Dallas.

In one of the most exciting games of the season, the Mustangs lost to Baylor University, 42-43. The final minutes of the game were probably the wildest ever seen in Perkins gym as the lead rocked back and forth.

With only seconds left to play, the Ponies led, 42-41. In the final two seconds, a Baylor player tossed in a one-handed shot to provide the winning margin. The final gun sounded as the ball swished through the net and hit the floor.

Salmon tries an underhand shot as the Baylor defenseman tries to stop him.

Prewitt grabs a rebound from the backboard.

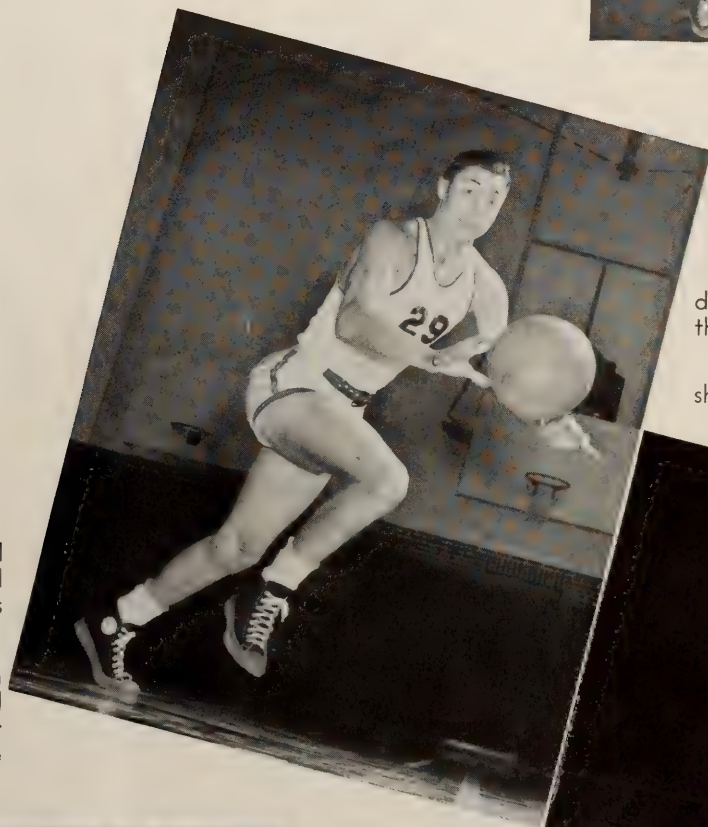

Although he seems to be holding hands with the Baylor defenseman, Prewitt is really trying a shot.

Rollings grabs for the ball, but his opponent knocks it away. Pugh, Folsom, and Salmon watch the results.

BAYLOR 43

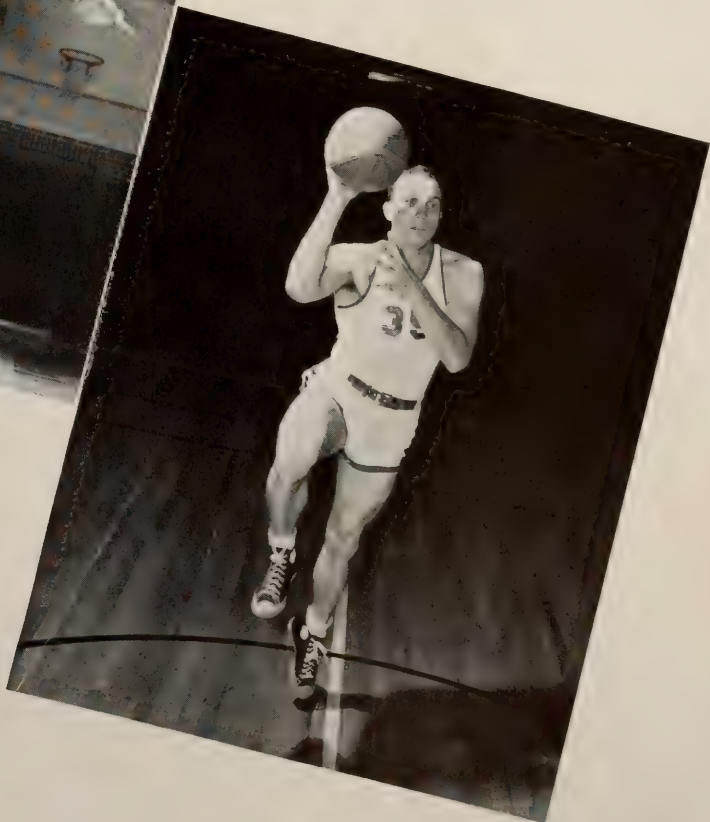

The first half was close, with the Bears leading the Ponies by one point at half-time, 20-19. In the second half the Bears pulled away to the biggest lead of the night, 39-33, but the Ponies came roaring back and scored seven points while holding the Bears scoreless and taking the lead, 40-39.

The Bears came back with a goal to regain the lead, but Rollings sank a long one to take the lead for SMU. Then followed the final goal by the Bruins as the gun sounded.

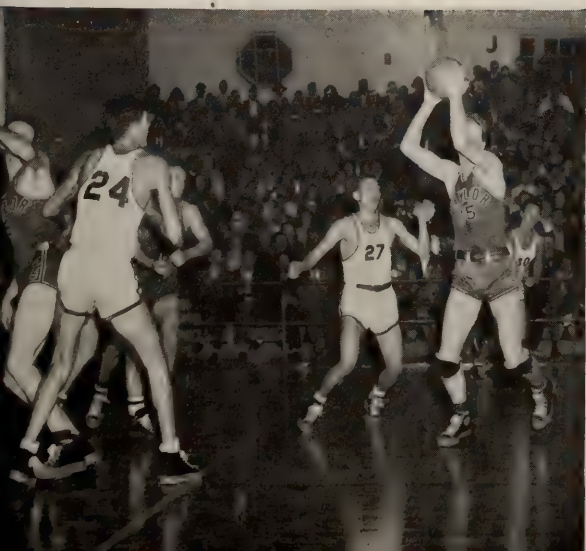

Prewitt (24) watches as Salmon (27) dashes in to contest the Baylor player for the ball.

Harold Fix, below, pushes a one-handed shot at the basket during practice.

Percy Penn, right, played a great deal of the time and was one of the top reserves on the team.

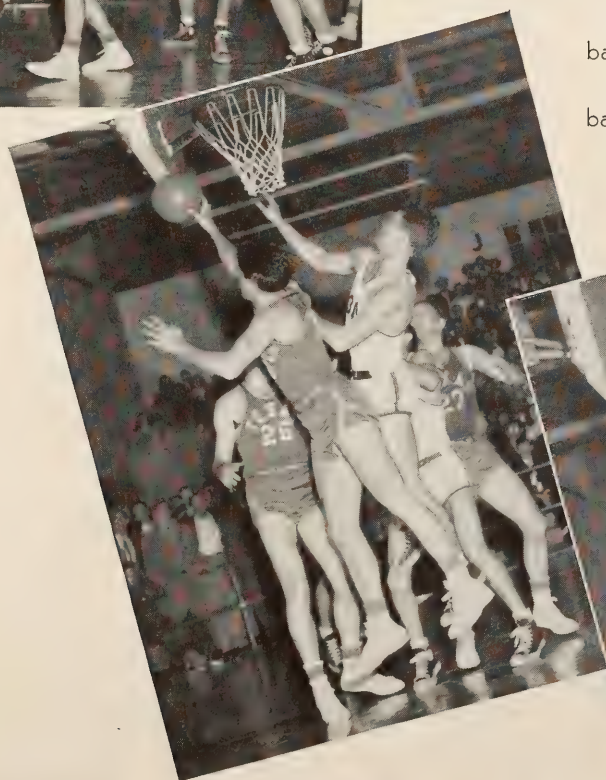

A Baylor player grabs a rebound as Folsom and Prewitt move in to contest it. Pugh (36) is behind the play.

Before a packed house in Perkins gym, the SMU Mustangs dropped their first encounter of the season with the Texas Longhorns, 57-51.

SMU kept the game close most of the way by use of height. Through the first half they kept within striking distance of the Steers and pulled within two points of them at half-time.

Pugh outjumps a Texas player and taps the ball to a waiting Mustang.

Folsom jumps in vain as a Steer grabs the basketball.

Pugh tries to stop a shot by a Longhorn. Rollings rushes toward the play from the left.

Gillespie, Prewitt, and Pugh watch the ball in mid-air.

In the first minutes of the second half, the Longhorns quickly pulled away, but the SMU quint came back to narrow the lead. As the gun sounded, the Steers were but six points ahead.

The game was almost a repeat of the year before when the speed of the Steers was the deciding factor. Again the Ponies lost because they were not fast enough and did not control enough of the rebounds under the baskets.

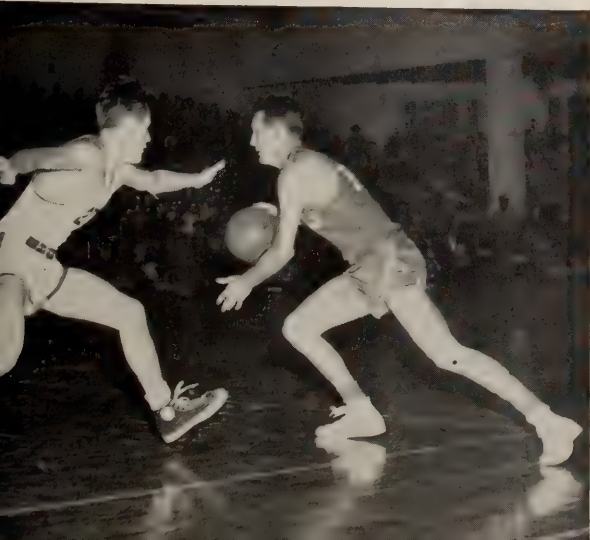

Everyone jumps for the ball. Salmon is at left. Gillespie is in the air while Prewitt is behind the players.

Johnny Zatopek, left, dribbles the ball downcourt.

Bob Prewitt, below right, cuts to his right as he dribbles. He starts the games at forward.

Salmon is caught off balance as a Texas player breaks by him.

THE S. M. U. SWIMMING TEAM

Five mainstays of the swimming team take off during practice. Left to right, they are: Stuart Tears, Doug Conner, Don Mortimore, Jim Dwire, and Miles Taylor. The team is coached by Alfred R. Barr, who is also Director of Men's Dormitories.

A BASIC FACTOR IN TEXAS' INDUSTRIAL PROSPERITY

Dependable, low-cost electric power in Texas ... the kind that meets the rigid requirements of industry ... is one of the basic factors contributing to the state's rapid industrial growth.

Strategically located generating stations supply power through vast networks of transmission and distribution lines to any location where plants and factories may use to best advantage Texas' abundance and diversity of raw materials and natural resources, excellent transportation facilities, intelligent native labor, and the many other advantages abounding in the Lone Star State.

Texas Power & Light Company pioneered transmission line service in Texas when it built the first high-tension line in 1913. Today it serves a 52-county area which includes the richest and most populous part of Texas and the chief distributing and commercial centers of the Southwest. Dependable, low-cost TP&L electric power service provides for today's needs of this rich area, and this Company is always planning and building for the ever increasing needs for future growth and industrial development.

JOHN W. CARPENTER, President and General Manager

Southern Methodist University is embarking on a rather ambitious building program which will involve several million dollars. The first building to be erected is the Fondren science laboratories to house the natural sciences. This is a difficult time to propose new buildings, but it seems impossible to wait longer.

The building program calls up the whole question of the size of the University. While the buildings that will be erected will make it much easier to take care of the present student body, they are intended eventually for a student body of about 4,000. It is expected that the extremely large enrollment, caused mainly by veterans returning to the campus, will soon give way. Student bodies may never return to pre-war size, but they will presumably not continue as at present.

The University is trying to provide the physical equipment necessary to do as good a piece of work as can be done with this number of students. On the whole throughout the country the students, both veterans and non-veterans, have accepted the inconveniences caused by overcrowding and insufficient housing and equipment with very little complaint. It is unfortunate that building conditions have not been such that these inconveniences could have been overcome while the mass of the veterans was in college.

The thanks of all of us are due to the veterans for the way in which they have gone about their work in spite of difficulties, and the country will probably have reason to thank them for having continued their education under very adverse conditions.

Editorial Recognition of a New Course in Medical Art

Southern Methodist University
and Southwestern Medical Col-
lege co-operate in Health and
Medical Projects.

The following editorial which appeared in the February 11, 1948, issue of the *Dallas Morning News*, compliments some recent joint undertakings of two great Dallas institutions.

Entwined Education

Recent weeks have brought several commendable examples of close co-operation between Dallas' major institutions of higher learning. Southwestern Medical College now provides supervision of psychiatric consultations at Southern Methodist University's student health center. Conversely, an SMU theological student has begun part-time work as an attendant in the psychiatric wards at Parkland Hospital under a new SMC plan.

More important is the co-operation of the two institutions in establishing a new course in medical art. Work in this field has been pioneered in Dallas by Prof. Lewis Waters, head of SMC's department of medical art and visual education and now is being adopted elsewhere. A close relationship between the professions of art and medicine has been recognized since the day of Leonardo da Vinci. This great artist's unusual understanding of human anatomy came not only from casual observation but from his painstaking dissection of many bodies.

Today the need is not so much to teach anatomy to artists as to teach art to medical men. Graphic arts are needed to illustrate medical textbooks, to chart anatomical lectures, to provide effective exhibits for health museums and to put public health talks on a level of popular understanding. Drawing, coloring, photography and motion pictures all have a place in this field. The combined resources of SMU and SMC offer unusual and valuable training for those who would enter this liaison field that promises to grow in importance and in opportunity.

... in Growth

Citizens of Dallas and the Great Southwest are proud of their fine institution of learning, Southern Methodist University. They have watched it grow from a comparatively small beginning to a University to which they are glad to send their boys and girls. . . .

This Company likewise has advanced from its pioneer period . . . from its mule-car days . . . to its present modern transportation system. It is ever ready to meet the growing transportation needs of a rapidly expanding city. Our constant aim is

to do our full part in building a still Greater Dallas. . . . Ride our safe, dependable street cars and motor coaches.
